KAZAKH INDUSTRY SHOWS PROGRESS

REPORTS 9-YEAR DEVELOPMENT -- Bol'shevik Altaya, No 65, 13 Apr 49

Georgiy Vasil'yev'ch Kalugin, delegate to the Fourth Congress of the KP(b) Kazakhstan, stated that Kazakhstan has made the following industrial progress during the 9 years which have elapsed between the Third and Fourth Congresses: 3,782 new enterprises have been set up; zinc and iron metallurgy and machine building have been introduced; 2,690 kilometers of railroad have been completed (Akmolinsk--Kartaly, Orsk--Kandagach, and Dzhambul-Chulak-Tau); new main telegraph lines have been set up. In 1945 industry accounted for 66 percent of the gross production of the Kuzakh national economy.

FALLS SHORT OF APRIL PLAN -- Kazakhstanskaya Pravda, No 27, 20 May 49

The Statistics Administration of the Kazakh SSR reports that 99.1 percent of the April 1949 gross-production plan was completed. April 1949 gross production amounted to 107.0 percent of that of April 1949.

<u>Gross Production</u>	April 48 Plan in %

As of 15 May, kolkhozes of the Republic completed 84 percent of the 1949 plan for planting grain and leguminous vegetables while sovkhozes of the Ministry of State Farms Kazakh SSR completed 94.8 percent. This represented an increase over 15 May 1948 of 17.5 percent for kolkhozes and 100 percent for sovkhozes.

The plan for planting sugar beets and cotton has been completely fulfilled by kolkhozes and sovkhozes of the Republic. Kolkhozes completed 67.4 percent of the plan for sowing perennial grass and sovkhozes of the Ministry of State Farms Kazakh SSR completed 71.1 percent.

Preparations for the hay season are proceeding slowly. On 10 May, completion of the plan for repair of hay movers was met as follows: 66.5 percent by sovkhozes of the Ministry of State Farms, 57.5 percent by kolkhozes, and 11.1 percent by MTSes.

The April 1949 plan for average daily freight handling on the Turkestan-Siberian Railroad System was fulfilled 103.7 percent, including grain 157.3 percent, coal 102.5 percent, flour 89.2 percent, and timber 113.5 percent. The plan for freight handling on the Karaganda Railroad was fulfilled 101.1 percent, including coal 94.8 percent.

The volume of capital construction completed during 4 months of 1949 amounted to 130.5 percent of that of the corresponding 4 months of 1948. This included capital construction by Union enterprises, 135.3 percent and Republic enterprises, 102.3 percent.

Individual ministries are successfully utilizing funds appropriated for capital construction.

The ministries of Construction of Heavy Industry Enterprises, Communications, Fish Industry, and Agricultural-Machine Building, have carried out more than 1/3 of the 1949 plan for capital construction during the past 4 months. However, only 18.2 percent of the year plan for capital construction was completed by the Republic as a whole during this period.

The majority of ministries and administrations are lagging in carrying out the plan for capital construction:
